

二. 写好并列句. and. not only... but also...

1. Think it over, and you will find a way out

Not only did they bring snacks and drinks,

but they also brought cards for entertainment.

The game is not only lots of fun, it's educational too!

I'm concerned not only for myself.

but for my children.

not only 放在句首, 第一个分句主用部分倒装

2. 转折. but 但是. yet 然而. while 而. 但是

whereas 但是, 是... 不是...

He scarcely knows a word of German, but he speaks French

she got up early, yet she failed to be there on time.

fail to do sth. 没能干成某事

Some sports are usually done indoors,

while others are done outdoors.

whereas knowledge can be acquired from books,

skills must be learned through practice.

3. 或者 either... or... 或者... 或者... 要么... 要么...

we cook dinner together, or we go for a walk.

Either he could not come or he did not want to.

4. so. 所以. for. 因为.

There are no more chairs available,

so. you'll have to stand.

He found it increasingly difficult to read,

for his eyesight was beginning to fail.
